Fact Sheet: Infrastructure Investment and Jobs Act

The IIJA makes the largest federal investment in public transit ever, the largest federal investment in passenger rail since the creation of Amtrak, the single largest dedicated bridge investment since the construction of the interstate highway system, and the largest investment in clean drinking water and wastewater infrastructure in American history. The IIJA is helping to deliver clean water to millions of families and ensure every American has access to reliable high-speed internet. The IIJA helps us tackle the climate crisis by making the largest investment in clean energy transmission and EV infrastructure in history, electrifying thousands of school and transit buses across the country and creating a new Grid Deployment Authority to build a resilient, clean, 21st century electric grid.

As a senior member of the House Transportation and Infrastructure Committee, Congresswoman Wilson was one of only five members permitted to cosponsor the landmark Infrastructure Investment and Jobs Act.

“My mantra has always been jobs, jobs, jobs! I am proud to have worked with President Biden and Chairman DeFazio to secure this monumental funding to help create jobs for Floridians as we work to rebuild roads and bridges for communities across the state.”

- Congresswoman Wilson

Florida Formula Funding

Sector	Amount
Bridges & Roads	\$13,300,000,000
Public Transit	\$2,800,000,000
Airports	\$1,200,000,000
Transportation-related Emissions	\$320,000,000
Resilience for Transportation Systems	\$364,000,000
Water Infrastructure	\$275,420,000
Highway Safety Programs	\$100,000,000
Commercial Motor Vehicle Safety Efforts	\$103,700,000
Electric Vehicle Charges	\$198,000,000
24th Congressional District/South Florida Funding	
Sector	Amount
Public Transit	\$1,232,151,093
Miami International Airport	\$42,461,693
Opa-Locka Airport	\$295,000
Ft. Lauderdale Airport	\$32,783,431
Competitive Grant Funding	
New Discretionary Funding	\$107,901,250,000
Existing Discretionary Funding	\$169,885,339,751

IIJA: Florida Topline Figures (over the next 5 years)

- Florida will receive \$18,661,120,000, which includes funding that will be administered by Florida Department of Transportation and funding given directly to entities like airports throughout the state.
- The Greater Miami Area will receive \$1,274,907,786 for transit, Miami International Airport, and Opa Locka Airport.
- Broward County will receive \$32,783,431 for Fort Lauderdale Airport.
- For seaports, \$17 Billion is available in grant funding, including \$2 Billion for the Port Infrastructure Development Grant Program.
- The BIF provides an additional \$277,586,589,751 (\$107,901,250,000 in new funding) in discretionary funding that localities can apply for.
